A Major Opportunity

So close to a broad range of everyday amenities, this attractively renovated three bedroom home calls to savvy investors and aspiring owner occupiers. Highlighting a modern kitchen/meals, radiant living room and large garden with plenty of room to run around, it's at the convergence of comfort and convenience. Fully equipped with contemporary appliances, including a dishwasher, the kitchen is more than ready to help make mealtimes a breeze. Well scaled bedrooms are served by a stylish central bathroom, with rainfall shower, and adjoining powder room. Heating/cooling, a garden shed and off street parking add extra appeal. On the 530 bus route, it's close to two train stations and just a short walk to Bonwick Street shops, CB Smith Reserve and schools.
