With the prevalence of sub-dividing our larger blocks the norm these days, finding a home on a spacious 738m² block (approx.) is a fantastic opportunity for buyers. This three-bedroom, post war home has already undergone renovation allowing a new family the joy of just packing their bags and moving in. Polished timber floors flow through the living areas and bedrooms with tiles to the wet areas. All of the bedrooms are well proportioned, with all offering built-in robes. A wonderful east facing portico welcomes you into the home and flows into the separate air-conditioned lounge room. The kitchen is fabulous with loads of bench space, pot drawers, cupboards, wall oven and hot plates with the dining area located on the side. Out the back is an enclosed area that with a little bit of elbow grease and some imagination could be an amazing space for entertaining family and friends. Behind this the driveway meanders to a fantastic 2 bay shed and even more room for a caravan, trailer or a myriad of boy's toys. **DISCLAIMER:** First National Action Realty has taken all reasonable steps to ensure that the information contained in this advertisement is true and correct but accept no responsibility and disclaim all liability in respect to any errors, omissions, inaccuracies or misstatements contained.
