We are proud to announce that we have sold another home off-market in the suburb of Cook. By utilising our extensive buyer database, we were able to match a buyer to it, selling the home prior to online marketing and achieving an incredible result. If you would like to know more about how our off-market approach works, please don't hesitate to reach out or contact me on 0405 130 332 for more information on the sale.
