Beautifully renovated, this freestanding three bedroom home features generous open plan design, a superb kitchen and gorgeous green rear garden highlighting a prime northerly aspect. Gather together in the big dining room after cooking up a storm in the impressively appointed kitchen starring a 900mm stove, Bosch dishwasher, great storage and sleek stone surfaces. Complementing a big family room is a convenient study area, while windows on the garden bring relaxing views in. Double bedrooms come with BIRs/a WIR and share a stylish modern bathroom with deep bath and separate rainfall shower. Heating, cooling, double glazing to front rooms, polished floorboards, security cameras, a long driveway and tandem garage further entice. Within a short stroll you'll find a stunning range of amenities including transport, schools, Bonwick Street shops/cafes and state of the art soccer facilities. Merri Creek trails are at the end of the street and the redeveloped Fawkner Leisure Centre, over the road, is set to open next year.
