\$660 per week

As soon as you walk in you feel the character this home has, with the beautiful timber laminate floors, open plan kitchen and dining, flowing out to the lounge room. The kitchen has ample cupboard space, with pendant lights over the main bench to provide plenty of light when preparing food. The lounge room has carpet throughout, with the original mantle to add that classic style character to the home. Moving to 2 spacious bedrooms, they have new carpet throughout as well. The main bedroom features a built-in robe, and the 2nd bedroom has a freestanding robe. The third bedroom is a single bedroom or could be used as a study. The bathroom is newly renovated, with a freestanding shower, vanity, and toilet. There is also a separate toilet and hand basin. There is a large backyard/ concreted courtyard area at the rear of the property, perfect for entertaining and for children to play. The stunning views over the city and water are breathtaking! There is a spacious 1 car garage under the house with a storage area. This home has it all! Lovely character and charm, with updated areas. There is plenty of space to enjoy. Above all that, it is in the perfect location in West Hobart, a short drive to the CBD, walking distance to Lansdowne Crescent Primary School and the West Hobart recreational ground.
