Here is a great opportunity to own this 4-acre (approx.) property situated in Lower Barrington. The 2-bedroom cottage has been tastefully renovated throughout and consists of open plan living which flows through to the country kitchen offering an abundance of storage options. Spacious bathroom with shower, vanity and toilet is located close to the master bedroom for convenience. Enclosed sunroom with secure lock-down roller blinds is a perfect area for entertaining your guests. Outside, the property offers 9m x 7m open front shed with power, single car garage (5.5m x 3.5m) and an open single garage (3.5m x 6.0m). There are two spring-fed dams and a creek running through the property providing an endless water supply. Tanks are 3000 gallon, 1000 gallon and 500 gallon. This property is highly recommended for viewing.
