\$450,000

Located on the side of an elevated position just to the South of Stanthorpe is this 'Country Cottage' and double bay garage. From the large covered verandah, you can enjoy views over the property to hills of the Eastern side of the Glen Aplin Valley. The residence is in good condition and offers 2 living areas, 3 double bedrooms, kitchen with plenty of bench and cupboard space, bathroom with 2 showers, separate lavatory and laundry. It is served by water tanks, mains power and the Internet. The dam has been set up for watering the gardens. The property is fully fenced. The double garage has concrete flooring and mains power. This property is perfect as an acreage property at this 'starter price'. Very livable as is but there is plenty of potential. Floor plan attached - Not to scale*
