Here is a property that has the best of both worlds, lovely rural property but without the expansive land to maintain. The main home has 3 generous sized bedrooms, one with ensuite, new carpet and new window furnishings throughout. original kitchen with open plan dining and living areas. lots of original features and lovely wood lining. great views from all windows over the well fenced yard into the bird filled bushland. This property also has a very well equippt mancave/workshop bungalow complete with one bedroom and bathroom.
