\$2,000,000

Sold by Kara Christensen Situated atop a 1.6-acre block, this renovated Country Hamptons-inspired residence boasts an expansive open-plan kitchen adorned with stone bench tops, European appliances, and a butler's pantry. The master suite exudes elegance, with a vast walk-in robe and an ensuite enhanced with high-end finishes. Three spacious bedrooms with built-in wardrobes are conveniently serviced by the family bathroom, which is complete with a freestanding bath and herringbone tiles. Downstairs, a private oasis awaits, comprising a fifth bedroom and ensuite with separate access. Outdoors, the home is framed by lush lawns and landscaped gardens, while a large saltwater pool overlooks skyline vistas.
