Here's your chance to live in one of the best streets in the area. Please give it some TLC; the possibilities are endless! Stroll down this lovely, quiet, tree-lined street, go for a bushwalk in Nosworthy Park, or check out the Corinda Bowls Club. A short walk in the opposite direction will take you to the local Coles shopping centre, coffee shops, schools, and the train station, so everything you could need is nearby. Come and have a look for yourself...NB. If you are thinking of renovating this existing home, be sure to check the Brisbane City Council's CR1 Character Residential guidelines...
