EXTENSA MANSIÓN ESPAÑOLA !!

Homes like this one are as rare as hen's teeth. This sprawling spanish type mansion is one of a kind for sure. Extremely deceptive from the street, you will not believe the layout of this home. You have 4 spacious bedrooms, that are spread out throughout the home, so no one will be living on top of each other. All bedrooms have built-in cupboards and fans. The master bedroom and ensuite is your very own private retreat really. The kitchen is brand new and the dining area is very spacious and it also leads out onto the court yard area. There is an indoor entertainment area/ rumpus room which is very very large. There is a bar area if you so desire one. You really need to book an inspection to view this home to appreciate what is on offer here. Walking distance to the town centre. As I said, this is a one of a kind and if you are into solid, well built homes then look no further. Contact Wendy Thornberry at Elders on Egerton to arrange your viewing today.
