**\$700,000 - \$770,000**

Dreaming of acreage without the inconvenience of driving long distances to town? Look no further than this 7 acre block located in the prestigious Stoneleigh Park Estate. With plenty of room to build your dream home, sheds and keep a pony or three, this relatively level block gently slopes down to the seasonal creek in the Government Reserve at the back of the lot. Children and adults alike will love watching the abundant wildlife through the windows so be sure to include plenty in your building plans. This land is titled and ready to build on now, with sealed road access, power and NBN available for connection.
