Does a substantial "plot of land", a family home, superb gardens and Tamar River views tick any of your boxes? If so, make a point of taking a look at this property along Rosevears Drive, a mere 15 minutes from Launceston CBD. The home can be three or four bedrooms, depending on your requirements with the option of a rumpus room, huge office/work from home scenario. Separate dining and lounge areas allow for a more formal lifestyle but you can easily convert to open plan. And you can certainly put your own "footprint" on this one with the opportunity to update your kitchen and bathrooms if you desire. An outdoor area fully roof is perfect for the family BBQ and get together. The gardens are quite superb with the expansive lawns tended with a ride on mower. There's plenty of raised vegie plots, colourful plants attracting the birdlife and of course you wake up every morning to those special Tamar River views.
