Built with evident care and quality and cherished by the same family for over 50 years, this original family classic provides a comfortable lifestyle for immediate enjoyment and is also keen for a touch of modern class in the future. Move in or lease out temporarily whilst you consider adding your own contemporary vision to a lounge/dining domain, kitchen, 3 bedrooms, bathroom, entertaining deck, split system heating/AC and carport. Alternatively, the sheer magnitude of its vast land dimensions (698sqm approx) will certainly ignite interest amongst home builders and developers, to construct a brand new modern masterpiece (STCA). Unmatched in location with Scotchman's Creek Trail, Whites Lane Reserve and Mulgrave tennis club all on your doorstep, and moments to Brentwood Secondary College, Caulfield Grammar, parklands, Brandon Park shopping centre, The Glen and M1 Freeway.*Please Note* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
