Remarkable Seaside Cottage in Adventure Bay. This quintessential seaside cottage welcomes you to Adventure Bay, to enjoy the iconic sandy beaches, the ocean and lifestyle of Bruny Island. The cottage has been lovingly and artistically styled and renovated to enhance the stunning location and environment, whilst offering a great sense of space, light and comfort. A massive covered deck at the front of the cottage offers a great entertaining and relaxing area. The front bedroom has access to a private sitting space whilst the large bedroom at the back of the house opens out to the beautiful well established garden, including fruit trees. The open plan living and dining areas open out to the deck by glass sliding doors and the property both inside and out offers plenty of storage areas. The wonderful beaches and ocean are just over the road with nothing else between, apart from the foreshore, jetty and boat ramps are close by. The unique cottage is well set back from the road, is fully fenced and offers some quirky installations whilst the surrounding garden is a visual treat. Shop, cafe and bowls club are all close by. Reasonable offers will be considered. An enviable lifestyle awaits.
