For those considering a move to the Southern Highlands and would like to try out the area, or those needing a place of residence, Inala is the perfect opportunity. Set on one acre of land, is a fully furnished log cabin country home. With spacious living areas and wrap around verandas overlooking stunning valley and mountain views, you can sit back and watch the mist roll in over the hills during winter with the open fire crackling in the background. In summer, you can enjoy an endless panorama of neighbouring paddocks extending all the way to Berrima. You will love the feel of this inviting home which offers 3 large bedrooms (all with queen size beds) and a fourth bedroom with a bunk bed. A stunning ensuite off the main bedroom is complete with a claw foot bath. A short distance from Mittagong and Bowral, this Glenquarry residence has all the benefits of living a rural lifestyle, including a vegetable garden for those who like to grow their own produce. There is a large open fire plus oil heating providing warmth during winter. In summer you can throw open the French doors to capture a gentle cross-breeze or take a dip in the swimming pool to cool off. Lawn and Pool maintenance are included.
