Privately tucked away at the rear, the pristine single-level home opens to a spacious living/dining area and smartly updated kitchen with premium appliances and luxe stone benchtops. Entertain guests here or head out to the fully enclosed outdoor room complete with split system - there is also plenty of undercover space to enjoy with loved ones in the home's rear courtyard and garden. The three bedrooms all boast fitted storage; the master has the luxury of a walk-in robe and recently updated ensuite while a bright bathroom and separate WC service the rest of the home. As-new ducted heating, split systems, ducted vacuum and eight solar panels are among the standout inclusions and the home also boasts a double auto garage. Impeccably presented throughout, the villa enjoys a peaceful position just metres to Patterson River where the most carefree of lifestyles awaits. Walking tracks and bike paths, fabulous cafes and easy access to stunning Carrum beach are among the area's drawcards and this really is the perfect setting from which to enjoy it all.
