Waterfront Property!

Looking for that holiday home? A place to getaway? Welcome to Casa Harpers right on the beautiful sands of White Beach! This is a true beach front property with private access over the dune to feel the sand in your toes. Exceptionally rare and breathtakingly beautiful.

Embrace the spectacular views at this waterfront property on one of Tasmania's most coveted beaches.

Inside this coastal home combines fresh seaside vibes and epic raw style of Mexico. There is certainly life worth living here. The central living area is light and bright with open plan kitchen, dining and living which are bathed in sunshine while framing the spectacular panorama. A wood fire ensures this area is warm all-year-round and the all important indoor/outdoor flow is effortless with this space extending out to a deck, perfect for entertaining or just relaxing in this peaceful spot. Walk out into your gorgeous private yard and step through the native fauna and onto the sandy beach.

The modern kitchen is well-appointed with ample storage and bench space and considerable time and resource have been spent inside from the kitchen tiling, cabinetry and appliances. Off the main living area there are two double bedrooms, each designed to impress. The central bathroom is chic and modern with stunning feature tiles.

In addition to the main house a studio also exists; a great work or hobby space, or perfect as a parent or teenager's retreat. Outside you have your own sanctuary in your backyard and outdoor living has been taken care of with the deck area and separate fire pit. On over 1100m² of land, there is opportunity here to continue to tailor to your individual needs.

This is one of the most amazing parts of Tasmania, a popular destination to holiday, retire, unwind and retreat. Located just a short drive to Nubeena, the property is close to amenities and approximately one hour and 10 minute drive to Hobart International Airport.
