The Hemingway Residences is a collection of luxury homes grouped in small chapters amongst verdant gardens. Within the architecture, the grounds, and the soul of the brand lay links to Hemingway's life and great legacy. We hope you enjoy the discoveries, the stories, and above all, each day spent in this stunning home. You'll find the picturesque Yarra River a short stroll away where you may visit Fairfield or Studley Park Boathouse and take a paddle through inner Melbourne's natural bushland. Escape to a selection of superb golf courses nearby, or take a bike just five kilometres into the MCG to take in a cricket or football match. Fairfield and Alphington stations are both close by for access into the CBD, or a quick ride to Ivanhoe shopping precinct. The Eastern freeway is tucked away just around the bend delivering you to the city fringe or to the popular eastern suburbs gliding through Doncaster before heading right out to the green hills of the Dandenong Ranges.
