Janette Lewis

Offers Over \$849,000

This home is currently under construction through Gilgunya Homes. Almost complete, this home includes all the luxuries and will soon be ready as an owner occupied home or for an astute investor. Featuring 4 bedrooms, 2 bathrooms, study and media room. Designed with additional storage cupboards and benches in the laundry, built in robes and split system air conditioning in the master bedroom and main living area it really is the whole deal. Quality appliances through out you won't want to look any further. Additional Features Include:- Initial landscaping- Walk in pantry - Colorbond roof and panel lift garage door- Wide side access and masses of room for future shed- security screens on all doors and windows Situated less than 10 minutes' drive from the Plainland Plaza, a level of finish that is nothing short of spectacular, this is so much easier than going through the building process yourself. The images displayed are of a completed property with an almost similar floor plan and are for indicative purposes only.
