So many wish lists begin with great street appeal, wonderful location, three bedrooms, lots of storage , beautiful bathroom, large shed, pergola, lots of rain water.... well, I'm starting to feel like Father Christmas! This property has all of those features and many more including reverse cycle air-conditioning, slow combustion heating, two bedrooms have built-in robes, secure backyard, garden shed, woodshed... the list just keeps going on! The next thing to do is to ring Jo for your own private inspection to be able to secure and gift wrap this little beauty for yourself for Christmas.
