Right on the harbour looking out on the water and the ever-changing life of the port, you can't get more Fremantle than this two-level townhouse with cathedral ceilings, big jarrah beams, timber floors and large internal spaces - all walking distance to absolutely everything. Facing Beach Street (with side entry from James St), sleeping spaces are on the lower level with impressive jarrah ceiling beams - one bedroom with interesting angled windows overlooking the southern courtyard, then a bathroom with bath and laundry. Beyond is a long and spacious master suite with mirrored built-in-robies, en-suite bathroom and a big wall of glass and steel to the north opening up to a private high-walled courtyard. Up the jarrah and steel stairs is a huge air-conditioned space with a high cathedral ceiling and spectacular views: a big L-shaped kitchen with heaps of benchspace is open to the dining and living area, all looking straight at the harbour. It all flows through to an outdoor terrace with a shadesail - the perfect place to take in the fascinating wharf-side outlook. There is intercom security for guests, a secure undercroft double car bay, plus plenty of space for more parking in a very large undercroft storage unit with rolladour. This is apartment living with a difference - big spaces, a funky warehouse feel and an amazing water view, right in the heart of Fremantle life where you can walk to the train, restaurants, shopping and the Arts Centre. 2 bedrooms, 2 bathrooms, 2 car bays (one is a undercover bay and the second is a enclosed garage) FEATURES:- Harbour outlook- Large spaces, cathedral ceiling- Timber floors, big jarrah beams- Entertaining terrace- Master suite with own balcony- Secure parking for two cars & large undercroft storage- Intercom security- Walk to everything- Cat considered Minimum 12 month lease / Available now Please email Amanda on propertymanager@mintrealestate.com.au if you do have any queries regarding this property.
