This first floor one bedroom apartment has been renovated & is sure to impress. The spacious lounge room is bright, light-filled & complimented with a split system (heating & cooling) which opens up directly to a private balcony. The separate kitchen has ample cupboard/bench space & includes electric stove, electric under bench oven & a sunny aspect. The bedroom is generously sized & comprises BIR. Main central bathroom with shower over bath, separate toilet & your own washing machine taps. The property includes one off street secure car space with remote controlled gate - however being walking distance to all the delights that High Street has to offer may mean you'll be leaving the car at home more often. If you've been searching for a spacious, clean, modern one bedroom apartment, then look no further & inspect.
