Crafted with timeless architectural elements unique to itself on a picturesque 4,048sqm (approx.) lifestyle block, living with a refreshing point of difference is exactly what you can expect inside this bespoke Matthew Vaughan creation. A celebration of English gentry architecture with century-old materials, this historically-significant single-level four-bedroom residence known as The Manse successfully balances period authenticity and integrity with an extensive list of new modern updates. Parents will value the privacy afforded to the large master bedroom (with a walk-in robe and stylish ensuite), while a private three-bedroom childrens zone with a modern bathroom and entertainment area grants the kids with their own peaceful sanctuary. A gorgeous gourmet kitchen, large dining and fireside living unites the household in the heart of the home; outside, that responsibility rests with the sensational undercover alfresco and vast entertaining terrace configured to soak up the breathtaking natural scenery. Kickstart the day with a morning swim in the new dual zone heated swim pool (with spa); sprawling lawn areas coupled with play equipment translates into hours of outdoor fun for the kids. Enhanced with extensive soft and hard landscaped areas, caravan/boat parking, double garage, abundant storage, CCTV, under floor hydronic heating, new carpet throughout the bedrooms and rumpus and more, its simply unmatched.
