Enjoy a bit of space? Walking distance to Southern Cross town center are these two blocks of land side by side and on separate titles. All in all 2034sqm (just over half an acre) Accommodation is needed in Southern Cross so it may be possible to build units or have a transportable put on the land (Subject to Shire approvals) Southern Cross was founded in 1888 during the Gold Rush Era, and there is currently a resurgence in mining in the area. Prospector train goes through the town, and this is a very convenient way to travel to Perth, Kalgoorlie or Merredin. The town of Southern Cross is very neat and tidy and has two Primary Schools, Hospital, 50 meter Swimming Pool, 3 Hotels, Hardware Shop, Grocery store, Chemist shop and more.
