What we love This gorgeous 2-bedroom villa is just set back off Brighton Road with the front facing due west, perfect for taking in the sea breeze. There are high raked ceilings throughout, creating a real feeling of open space as you walk through to the open plan kitchen, dining and lounge area. There is a spacious, pitched roof patio which is a fantastic private entertainer's delight. This is easy care living with the convenience of shops, restaurants, cafe's and Scarborough beach all within walking distance.

What we know Split system air-conditioner
Built in robes in both bedrooms
Electric Stove / Oven
Wood laminate flooring throughout
Built in robes
Separate toilet
Generous visitor parking areas
Quarterly Strata Fees approx. \$600

This lovely villa has had the same owner for around 30 years which speaks volumes and these don't come up often in this complex. It is perfect for 1st home buyers, investors or add your own style and create your perfect abode along the coast.
