\$585,000

Delivering a flawless function and versatility across a layout maximising natural light and space, this impeccably presented two bedroom unit occupies a convenient address only a short walk from the 811 and 812 bus stops, local cafes, schools and shops. Blessed with private proportions, a tranquil ambience translates across an open lounge and dining zone where ample glazing and hard-wearing floors helps connect the indoors with the out. Presenting private space for summertime enjoyment, an expansive deck with covered space and built-in seating/storage offers a welcomed retreat beyond the interior, whilst gas ducted heating and split-system air conditioning combat seasonal changes. A practical kitchen design with modern appliances, overhead cabinets and dishwasher opens to the entertaining space, ensuring conversation flows right across the zones. Two generous bedrooms each with built-in robes provide private and peaceful accommodation, while an updated spa-bathroom with combined shower and spa, and floor-to-ceiling tiles comfortably services both family and guests. Add to your portfolio or leap into property ownership with this comfortable home, complete with a European laundry and extended single garage with remote controlled door. Confirming proximity to Thrift Park, DFO, Woodlands Golf Club, and Parkdale Primary and Secondary College, a convenient position affords a lifestyle central to all Bayside amenities.
