Experience the supreme convenience of this Ocean Street apartment, ideally located in close proximity to Bondi Road Village and Bondi Junction's spectrum of shops, hospitality venues and services. Set atop 'Colwyn', an Art Deco building of only 12 residences, this apartment features spacious dimensions, skylights, which provide a healthy intake of natural light, and still retains several charming period traits. Attention to detail also manifests in the kitchen and bathroom, which both include rustic Travertine tiles. Appointed with quality European appliances, the kitchen also offers space for a dining table. The floorplan appeals by placing the bedrooms at either end of the residence, with the master featuring a sun-dappled balcony. Complete with a discreet internal laundry and a lock-up garage, this apartment is an all-round pleaser in an incredible coastal location. Bondi Junction offers one of Sydney's most accomplished retail precincts, presenting flagship stores, Westfield Shopping Centre and Oxford Street Mall.
