Rarely found in the rental market is this 3 bedroom unit located in the Capri building. Harbour views from the lounge room, dining room, kitchen and main bedroom. As soon as you walk through the door the view takes your breath away. Not only does the water attract you but also the landscape of the park directly below, giving you an open feeling all round. This three bedroom apartment with ensuite and walk in wardrobe off the main bedroom and the remaining two bedrooms with built in wardrobes and westerly escarpment views. For easy maintenance the property has timber flooring throughout. The main bathroom with separate toilet. The building has lift access and a common garden area. Ducted air-conditioning. The garage is huge and could fit 3 cars and extra room for storage. The building has security parking then your own individual remote garage. Feel like you are in a resort all year round in this executive apartment.
