Imagine an address where there's literally nothing between you and the natural bushland beauty of Newport Lakes Reserve – this superb home's privileged position provides a brilliant fresh perspective on Newport life! Endlessly bright due to its northerly aspect, enhanced by the leafy privacy of its backdrop, the design makes the utmost of its sublime setting. It's an exceptional escape and such a sanctuary, yet you're still just moments from Mason Street vibe and Newport lakes Primary School. Living and dining areas that catch all the light and surround you with style lead to decked dimensions for entertaining with the brilliant view behind. Modern efficiency complements an open-plan kitchen where stone benches, stainless steel appliances and a walk-in pantry function fabulously on the downstairs level that precedes three inviting bedrooms and two bathrooms above. The main bedroom's ensuite adds to its appeal but the size and the sights of the lake from its balcony take the luxury to a whole new level. Solar panels, secure garage and a courtyard retreat complete a wonderful world!
