Nestled in a very quiet and private setting lies this spacious elevated townhouse guaranteed to capture all day sun. The property is located on the level and boasts three spacious bedrooms, two bathrooms with lounge and dining off a well-appointed kitchen. Outside, there is a very low maintenance yard bursting with veggie gardens, great storage under the property plus a secure single garage with plenty of depth for a work bench. This property provides one lucky buyer the ultimate property to down size, invest or first home. Having only had one owner, the property presents nearly as new and located just minutes to Howrah Beach, public transport, Shoreline Shopping Centre and the recently up-dated Shoreline Restaurant.
