Northern light bathes this lower ground floor 2 bedroom apartment with a balcony that opens to and enjoys a wondrous peaceful garden aspect situated in one of Elsternwick's landmark buildings, adjacent Hopetoun Gardens, and immediate proximity to all that Elsternwick has to offer. Light, bright and freshly painted inside and out, it offers a hallway entrance with double cloak storage cupboards leading to a generous open living room, whilst further down are two well-proportioned bedrooms with built-in robes, a separate laundry featuring a Bosch washing machine, separate toilet and bathroom comprising a full free-standing bath, shower and modern vanity unit. Finally and more importantly however, it features an outstanding "as new" designer kitchen with fully integrated appliances such as Bosch dishwasher, Smeg cooktop and oven, externally flued rangehood, microwave and fridge, ceramic tiled backsplash and cupboards configured in such a way as to ensure full and maximum storage capacity without compromising a sit-in meals area, and a ceramic tiled floor surface which enhances an overall stylish kitchen, whilst offering easy maintenance as extends to the entry hall and entire passage way. All up, this is a once in a lifetime opportunity to acquire the best finished and located 2 bedroom apartment in this tightly held and highly prized block, with public transport at its doorstep and access to a multitude of transport options, and nothing to spend upon moving in.
