Built with an exemplary level of detail and showcasing high-end contemporary finesse, this chic executive townhouse delivers on style and lifestyle on the fringe of Preston. Rising over two levels of perfection, no stone has been left unturned in the pursuit of a high-impact low-maintenance lifestyle. The accommodation impresses with three bedrooms of generous proportions, while a deluxe main bathroom reflects the townhouse's excellence in design and quality. Not only does the accommodation leave an impression, but also the fashionable open-plan living domain upstairs, which excites with its excellent sense of open space, engineered wide timber floorboards, direct access to the sunny balcony and gourmet kitchen, dressed with easy-to-clean splashback, Bosch stainless steel appliances and stone benchtops. Feature-packed and showcasing high-quality appointments throughout, this superbly crafted home excels with its high ceilings, remote double garage, split-system heating/cooling and so much more. As a new resident of this exclusive neighbourhood, experience lock-and-leave low-maintenance convenience at its best with walking distance access to Preston North East Primary School and the close proximity of Northland Shopping Centre, scenic parks, Plenty Road trams and La Trobe University.
