THE PROPERTY A beautiful blend of contemporary design and quiet community surrounds ensure this property offers an elevated townhouse lifestyle. Boasting its own private courtyard, a single garage for convenience, and easy access to endless amenities, this is an investment you can make with your head and your heart. Step in from the stylish portico to a spacious and light-filled interior. The formal living area features plush carpet, high ceilings, and large windows. At the rear of the residence, the open plan family room, meals area, and kitchen with sleek stone benchtops and stainless steel appliances steps out to the deck for entertaining in style. With a guest WC and generous laundry also on this level, this is a carefully crafted home with thoughtful inclusions throughout. The bright and spacious bedrooms reside on the upper level for peace and privacy. One of the two family bedrooms with built-in robes enjoys a delightful Juliet balcony while the main bedroom boasts a coveted walk-in robe and shower ensuite. The stylish family bathroom with soaking tub completes the ensemble, making this the ideal family home. Brimming with features and brilliant finishes, this enticing property will impress. Join us for a tour today.
