This delightful, family home is sitting pretty over two levels on 1179m² of easy care, landscaped gardens featuring camellias, rhododendrons, hydrangeas and all that the best Hills gardens offer. The kitchen, complete with original wood stove, and tastefully brought into the 21st century with Smeg oven, induction cooktop and breakfast bar, overlooks the stunning main living area featuring jarrah floors, original lead light windows and french doors leading to the stunning hardwood deck set amongst the treetops. Beyond the deck, is the newly constructed swimming pool. The sitting room, with its muted colours, plantation shutters and original fireplace offers a quiet, relaxing space. The master bedroom (with walk in robe and ensuite) opens to the deck, and the three other bedrooms on this level (each with built-in robes) are all generous in size, and with easy access to the main bathroom. The lower level is accessed via a hardwood staircase within the house or from double doors beneath the deck opening to a private, self contained apartment, comprising a generous living area, well equipped kitchen, two bedrooms with built-ins and well appointed bathroom. This unique residence would ideally cater for those seeking a property to suit multi-generational living, a home with a teenagers' retreat, or perhaps even for B&B accommodation. A rare opportunity! The property will be available for inspection this week by appointment. Call Jon Haynes to arrange a suitable time 0419834622
