This well presented home is located in a good location on a 1/4 acre allotment. Featuring 4 bedrooms, eat in kitchen with dishwasher, air conditioning and fireplace, separate shower and bath. The rear yard is fully fenced and sides are also lined with Photineas which when further grown will provide some nice privacy screening. The 12 x 7 meter garage offers 3 car parks and workshop space. The garage has extra height to accommodate a caravan or RV. It is powered and concreted. There is 2 x 1,000 gallon rain water tanks. Great location - only a short walk to Quartpot Creek parkland and the main street for dinner and drinks.
