Located at the end of a quiet cul-de-sac, this well presented three bedroom home offers a great family lifestyle. The home offers space galore; from a weather proof decked area that takes in the warm winter sun, a large games room/second living area, and a lockup workshop space, all of which is under the main roof. The back yard is fully fenced, with an array of fruit trees and raised vegetable beds, lawn, and the essential fish cleaning station. Numerous garden sheds, rain water tanks, reverse cycle air conditioning and solar power complete the property. Please contact Andrew on 0409 081 075 for further details.
