Harcourts West is thrilled to present a truly unique residence, a sanctuary meticulously cherished by its current owners and now on offer for one lucky family! Perfectly positioned on an expansive 987 square meter block, this residence stands in a league of its own, boasting a symphony of stylish reclaimed fixtures, fittings, and exquisitely manicured gardens that enchant at first sight. Your journey begins at the heart of this abode – a culinary haven where timber benchtops, state-of-the-art stainless steel appliances, and a waterfall island bench create a relaxing and functional space to enjoy preparing meals with your family. With its open design, the kitchen effortlessly flows into the spacious family and dining room, creating a harmonious space that extends seamlessly to the outdoor retreat, offering a serene oasis for relaxation and rejuvenation. Here, amid the embrace of mature fruit-bearing trees (mandarin, orange, mulberry, olive, feijoa, and more), lies a hidden designated fire pit area and expansive double garage with impressive high ceilings, that doubles as a man cave, complete with a bar setup that will be the envy of all your family and friends. What the owners love:

- The thriving wildlife that visits each year, allowing you to enjoy the garden's natural beauty.
- The privacy and feeling of being nestled away in your very own parkland, offering a peaceful retreat from the hustle and bustle.
- The luxury of heated bathroom floors and the warm ambiance of the gas log fireplace on a cold winter day.

Accommodation within this abode comprises three spacious bedrooms, with the master suite offering a substantial built-in robe and a gorgeous ensuite with a reclaimed timber vanity, floor-to-ceiling tiles adorned with herringbone feature tiling, a waterfall showerhead, and the luxurious touch of heated floors. The additional bedrooms, each a haven of comfort, share access to a beautifully renovated central bathroom that showcases kit-kat tiling, a standalone bathtub, and the convenience of direct outdoor access. This home is rife with special features that elevate everyday living: an expansive driveway, a welcoming undercover front porch, quality 12mm engineered floorboards, warm inviting downlights and pendant lighting, custom shelving that frames a cosy fireplace, ducted refrigerated cooling/heating, and double block-out blinds that promise privacy and serenity. This residence is not just a home; it's a testament to love, care, and unparalleled style, set against the backdrop of an expansive block that offers endless possibilities. Seize this rare opportunity to own a piece of sublime living.
