\$1.07m - \$1.17m

Here's your chance to live the great Australian dream with this bright and stylish architect-designed family home, offering plenty of space to grow on a huge 900sqm (approx.) block in the bowl of a private and quiet court. For the young family eager to move straight into a home that doesn't require any weekend DIY jobs, the combination of an immaculately presented home in a desirable family-oriented location is sure to please. Parents will love the fact the loft-style master bedroom (with hotel-style ensuite) enjoys total seclusion upstairs, while the successful grouping of three robed bedrooms, deluxe family bathroom and a large study downstairs offers enhanced family flexibility and functionality. The enormous proportions of the oversized L-shaped open-plan living domain instantly appeals, as does the sleek style of the modern kitchen and prospect of entertaining on the expansive deck as the kids kick the footy around the huge backyard. Enhanced with quality contemporary finishes, northern sunshine filtering into the living areas, abundant storage, large lock-up garage, evaporative cooling and ducted heating, call it 'home' and enjoy a prized family lifestyle moments from the buzzing heart of Diamond Creek, Diamond Creek train station, sporting facilities, schools and recreational parklands.
