An amazing floor plan sets this property apart from many others. The master bedroom is located at the front of the property creating a tranquil haven away from the living area and additional bedrooms. Boasting a spacious ensuite and walk in robe, you'll have all you need for relaxation in your space. The double garage offers internal access into the homes hallway, perfect for those rainy days carrying kiddies and groceries! Down the hallway are two bedrooms, both with built in robes. The living area is something special. Open, light and functional with access to an elevated timber deck taking in the views of the vineyard. Very quickly you'll forget you're in suburbia.
