The answers simple why not build in the centre of the Yorke Peninsula and have the best of both worlds. Maitland is situated only minutes from either Gulf and is almost half the price of buying on the coast. Maitland features 2 Schools, hospital, aged care facilities, hotels and ample shopping and is only a stonethrow from that next fishing trip and some of the finest beaches S.A has to offer. This Block is approx. 1031m<sup>2</sup> and has a north facing frontage of approx 25.9 mtr and Valley glimpses. The property also has water connected and is walking distance to everything Maitland has to offer. Priced realistically to move quickly contact Tony Clark 0427363161 for your inspection.
