Frustrated because you can't seem to find a home that has enough space for everyone, this home is spacious inside and out. Located in a quiet cul-de-sac close to amenities and Geographe Primary school catchment area is the cherry on top! As if the size of the home is not enough, add on a 9x7m shed and it's a match made in heaven. This will keep hubby happy and busy whilst you enjoy watching the children play outside and cooking up a storm in this well-appointed chef's kitchen. Added bonuses are the woodfire to keep you warm and cozy in winter, and solar panels keeping your electricity bill low throughout the year, all you will have left to do is enjoy the family home for a minimum of 12 months. • 4 Bedrooms • 2 Bathrooms • 3 Garages • Workshop Shed • Study • 2 Living areas • Solar panels • Woodfire • Pets considered upon application • 12 month lease
