Exhibiting a unique vibrancy throughout its extensive family-friendly design, this 3-bedroom courtyardside home on a 659 sq. metre (approx.) lot flaunts the ease of dynamic single-level living, with dual living zones and fantastic entertaining options the whole family will love. Slightly raised from the street, the home unfolds over timber floors into a spacious formal lounge and dining room, linking to a far-reaching family and dining zone, with an all-new colour palette and style resonating throughout. The central stone-look kitchen offers an abundance of bench and storage space for the aspiring home chef, housing top-grade appliances for complete gourmet simplicity. Covered outdoor entertaining opens to the rear, with its far-reaching yard offering options for additional sheds, a pool, or a granny flat (STCA). Three bedrooms are beautifully zoned, headlined by a master with a walk-in robe and full ensuite, while a central bathroom, separate toilet and laundry closely service the remainder. Beautifully finished, it comes with refrigerated heating and cooling, two garden sheds, a rainwater tank, gated rear access, and a wonderful court location, moments from Carrum Downs Shopping Centre, St Joachim's and Banyan Fields Primary, Carrum Downs Secondary, and freeway access.
