Look beyond what you see today and imagine what the future holds for this completely original Brick Cottage. Positioned in a prized Kew locale adjacent to Foley Reserve, the property will require all your energy and architectural flair to restore and create a desirable inner-city sanctuary. Consisting of four principle rooms, the home is favoured by a preferred sunny west facing rear aspect providing potential off street parking, via the R.O.W. Located within an easy walk to Barkers Road and High Street Tram, and only moments to Kew Junction, High Street shopping and a host of renowned private schools. Land: 216sqm approx. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
