Nestled in the quiet valley of Woodhill and located only 10 minutes from Berry lies a unique opportunity to secure approximately 17.4 ha (42.9 acres) of land ready to make it your own. This property is well suited to a multitude of buyers, featuring a 3 bedroom brick home, cattle yards, large machinery/feed shed and permanent creek. The land is a mix of undulating land with spectacular views of Drawing Room Rocks, Brogers Nose and Broughton. This is one special property and if you are looking for the rural 'escape', call me today to inspect 'Xanadu'.
