The inspired design of this home creates great options with versatile living areas, guest bedroom, work from home space and multiple entertaining areas both inside and out. • 4 generous size bedrooms featuring a mix of built-in wardrobes and air conditioning. • The entry level features polished timber floors, raked ceilings, air conditioning, wood fire plus an open plan entertainer's kitchen with quality appliances and great storage. • Ground level features a spacious lounge area with a second bathroom and 4th bedroom perfect for guest accommodation, work from home office or just keep the whole space as your personal domain. • Entertaining on 2 levels with the entry level featuring a covered timber deck with views plus a shaded front verandah on 2 sides of the home. The ground level boasts a truly spacious covered area big enough for the largest family get togethers. • Other features include tandem car port, gardens shed, low maintenance gardens and trees that provide both privacy and cool shaded areas. This residence is a pleasure to inspect with an inspired design that makes it a standout to anything else you have seen.
