And I hope you will love it as much as I do. Large basket range double bricked family home, opposite Dunkley Reserve, currently being upgraded with a large, sheltered playground. Open that big, wide door, note the width of the entrance and picture your bookshelves and a seating right here in the light. What a lovely, light filled home! High ceilings throughout and freshly painted throughout. Renovated where it matters, originals thankfully have been left for identity. Enjoy four bedrooms, that all have new carpets and three have built in robes. The lounge room, dining room, kitchen and hallway have new laminated floor boards. Think pink and enjoy the original bath and vanity units. Love them. And the back garden.....lawn, hills hoist, rain water tank and a loquat fruit tree. Car garaging, double garage (lengthwise) with a full sized pit with lighting! Extra two carport parks (lengthwise) and open driveway, easily three cars can squish in if you have teenagers. After all, this is a family home! Please note, pets will be considered for the right tenants only, at the landlords discretion
