Perfectly finished and built with class in mind, this expansive, dual living, 3 bedroom recycled brick home is yours for 2024. With fabulous finishings, fixtures and neutral tones throughout, you'll be impressed so much you'll need to have it. Low maintenance enough for those with a busy lifestyle, but enough yard for the kids plus side access, garden shed and generous UMR entertaining area. The modern and stylish home is edgy with a great feeling throughout the home. Two very generous living areas including a lounge with vaulted ceiling and large open living that flows from the modern and well appointed kitchen, featuring a large butlers pantry. This very well thought out home is an opportunity for the buyer looking for a very well equipped and maintained home, that offers space inside and out, yet an easy lifestyle perfectly suited for the young professional, young family or retirees.
