This is arguably the best Cottage I have ever seen. Tastefully restored by the current owners in line with the historic nature of its locality, this is circa 1880. Beautiful stone work and natural ambience, provides very comfortable living, in addition to numerous sheds and double garage for van or boat. A beautiful spot which creates a feeling of peace, quiet and seclusion, yet so close to Moonta and all it has to offer. On offer are 3 bedrooms plus an additional dressing room 2 living areas Ducted air conditioning and combustion heating Good size kitchen includes a dishwasher and pantry A good size all weather entertaining area gorgeous Fernery pergola and fishpond area Multiple shedding and workshop High clearance double garage Solar system to cut the energy costs Stacks of rainwater switchable to mains if you desire Would you like to have some sheep?
