Located in the tightly held Ferndale Estate, Ray White Port Douglas is proud to present 9 Jacana Close, a very spacious and idyllic family home. Greeted by twin entry doors, you approach the home through a grand hallway, with rooms tucked off to each side giving each member of the home their own private space. Traversing the walk through, dedicated media room, has you rounding the corner into the large open plan living space, you are surrounded by light from floor to ceiling windows that border the space. At the centre of the room is the sizable kitchen, with stone bench tops and an island bench that overlooks the room keeping the chef involved in the action. Off the well appointed lounge space is the patio that flows seamlessly into the glistening pool surrounded by low maintenance lush gardens. Off the dining room you have a private courtyard area that is accessible through the media room and master bedroom. The three other bedrooms stem off a hallway from the open plan living, each their own private escape sharing the family bathroom with a separate toilet. The master bedroom is nicely tucked away from the rest of the house, a quiet retreat with a large ensuite, featuring a spa bath. The block itself offers large street frontage with a double garage and side access for a boat or caravan. The estate is peaceful, safe and family friendly. Only a short walk to the beach and a few minutes drive to schools and shops, this is the perfect place to call home. This property will be going to AUCTION on-site, Saturday 7 October 2023.
